

THE GARIBALDI ADVANTAGE

THE BENCHMARK

In the realm of glass solutions, precision and reliability stand as paramount assets. Garibaldi Glass – a name synonymous with unwavering quality, trusted expertise, and over 50 years of glass fabrication, we are the premier supplier of high-quality architectural glass on the west coast of North America.

Garibaldi's reputation is founded on a commitment to excellence, consistency, and technical proficiency. Our key differentiators underscore why we are the partner of choice for discerning owners, glaziers, architects, general contractors, and developers. As an industry leader, we present not just products, but a partnership dedicated to elevating your projects through consistent craftsmanship and seamless collaboration.

THE TRUE COST

Now, let's talk numbers. How much does it cost to use another supplier compared to Garibaldi? The real question is: **can you afford not to choose Garibaldi Glass?**

Choosing the right glass supplier is critical to your project's success. Have you weighed all the factors:

■ CLEANING COSTS

How much does it cost to clean excess silicone off the surface of the unit?

■ LABOR & EQUIPMENT RATES

Cutting costs without compromising quality?

■ PENALTIES & BACK CHARGES

Late deliveries? Know that your projects remain on track, avoid costs, and the headaches that come with delays.

■ ADMINISTRATION EFFORT

Reduce coordination efforts and focus on what truly matters.

■ LEAD TIME

We ensure quick turnarounds to keep your projects on track.

■ BUILDING TRUST

Partnering with us guarantees reliable relationships with general contractors and developers.

The answer is simple: the real cost lies not only in dollars but also in wasted time, effort, and opportunities. Experience the Garibaldi Glass difference – a commitment to quality, collaboration, and your project's success.
